**2009 Service Contract**

The following is an outline of the services Water Works Sprinkler Systems, Inc. will provide for the 2009 maintenance of your sprinkler system. It is a proven fact that your lawn and landscape will be healthier and your irrigation equipment will last longer and perform better with regular maintenance from a water management professional.

- **SPRING START UP:** We will turn on your water supply; check the operation of your backflow preventer, valves and sprinkler heads and set the controller for efficient watering appropriate for spring watering.
- **SEASONAL TUNE -UP:** We will adjust the controller for summer watering, check and adjust all the sprinkler heads for maximum efficiency; raise, lower, straighten or move sprinkler heads as needed.
- **WINTERIZATION SERVICE:** Turn off the water supply; blow out entire system with compressed air including backflow preventer, valves and sprinkler heads; turn controller off for the winter.

The 3 levels of service we are offering for maintaining your system are:

**Standard:** Includes spring Turn On and fall Winterization Service - suggested for customers who are adept at adjusting their controller for seasonal conditions and able to maintain their sprinkler heads.

**Standard Plus:** Includes spring Turn On, one Seasonal Tune-up and fall Winterization – suggested for customers who have some skill with maintaining their system but wish a higher level of service

**Water Saver:** Includes spring Turn On, two Seasonal Tune-ups, and fall Winterization – recommended for customers who are minimally involved with their system.

The following is our estimated cost for the three levels of service for the maintenance of your sprinkler system. Please circle your preferred option, complete the information outlined below and return this form with your check or credit card information to our office by mail or fax. You may call our office to request this form by email. **Please note that the prices quoted below are an estimate for the maintenance of your system. You may be billed extra for repairs or upgrades to your system or maintenance that takes longer than we have estimated.**

**Standard**

**Standard Plus**

**Water Saver**
